FORTNIGHTLY FRIDAY CAFÉ

Our fortnightly café has been a huge success.

Our customers enjoy our seasonal home-produced menu and getting together with their friends. Our students enjoy preparing and serving all the tasty meals.

Next Café dates - 18th August and 1st September

YOU'VE BEEN HIRED!

One of our young ladies, Tori, will be joining us in September to begin an apprenticeship.

We are looking forward to teaching her many skills so that she can make a start in the World of Work.

IN OUR GARDEN AND POLYTUNNELS

Our two poly-tunnels and our garden are bursting at the seams with flowers, fruit, vegetables and herbs.

These all feature in our menus and our students thoroughly enjoying working with Tim in the garden especially with the bee-keeping.

Jams, pickles, honey, etc is all available for sale.

WORKING WITH CUMMINS IN DAVENTRY

Cummins are a great support to Green Acres and work with us regularly sending us groups of volunteers and working with students on projects. In the Spring we gave a group of international senior Cummins staff a tour of our facilities and the chance to meet some of our young people.

WORKING WITH SCHOOLS

Students who attend Green Acres take part in many activities including food preparation, cooking, gardening, Friday café and lunches at Warwick Court.

Follow us on Facebook and Twitter to see more of what we are up to

ADULT LEARNING COURSES

Willow weaving, Pottery for beginners, Vegan cooking, Artisan Breads, Cake baking and Cooking the perfect Sunday lunch are just some of the courses we have held.

Keep a look out on our Web-site, Facebook or Twitter for details of our Autumn courses.

WARWICK COURT READY MEALS

We have recently begun making a small selection of ready meals for the residents of Warwick Court which are proving very popular. The residents place their order and we supply them vacuum packed and ready to pop into the microwave at their convenience.

We are looking to develop a wider range of ready meals to sell to other clients.
